Beyond the Illustration Gallery Guide

What is an illustration?

An illustration is a work of art that serves as a visual explanation of a text, idea, or a story. The printed version of the work is usually the final creation. For example it could be a book, a magazine, or a comic strip.

Who is an Illustrator?

Look at the art and the books on the shelf, what are five things you notice? Is there anything similar or different?

What story do you think the artist wanted to tell with their painting or book? What do you see in the artwork that makes you say that?
It happened on the playground...

Fun and exciting things happen at the playground every day. What was the most exciting thing you have seen? Illustrate it!
